

Meet some of
our class members!

One of the things we really enjoy is the fellowship and encouragement of parents who are trying to accomplish the same things for their families. I know I am a better husband and father because of how God has worked in my life through Westside's Ministry.

-Jonathan Frazier

As a mother of two young children, my life can be a bit crazy at times. It is such an encouragement to fellowship with others who can identify with my weaknesses and who can strengthen me as I strive to raise a godly family.

See what they have
to say about
Homebuilders!

They find support
from other parents,
and you can too!

We are growing together and learning together. We are stronger because of the support of our life group.
